*The Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Case Western Reserve University School of Medicine designates this educational activity for a maximum of 3 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity. Current guidelines require that participants in CME activities be made aware of 1) any relevant financial relationships between speakers and commercial entities, 2) discussion of off-label uses of medications and/or devices, and 3) any limitations in data cited. This information has been requested from speakers and will be incorporated into the syllabus distributed during the activity.*

*Supported in part by NIH 5P30AR039750 Skin Diseases Research Center, Department of Dermatology at Case Western Reserve University and University Hospitals Case Medical Center, Genentech and Abbott Laboratories.*
